PROJECTS

HYPE SWIPE | 2019
- Built a Tinder-like mobile application for discovering points of interest
- Took advantage of serverless computing and voted the best project by peers

PRODUCT LOOP | 2019
- Programmed a survey tool for managers to get feedback on their products
- Implemented payment processing, data caching, and automated testing

CODE ALONG | 2019
- Coded a live streaming platform employing the real-time messaging protocol
- Utilized scrum methodology, test-driven development, and pair programming

EXPERIENCE

MARKETING MANAGER
Sage Corps | Chicago, IL | Apr 2018 - Dec 2018
- Grew program participation and resulting revenue 10% year over year
- Automated processes aimed at moving leads down the sales funnel
- Negotiated marketing budgets and optimized spend via split tests

DIGITAL MARKETING COORDINATOR
Zeitgeist Artist Management | San Francisco, CA | Jun 2015 - May 2018
- Launched publicity and marketing campaigns earning 10M+ impressions
- Created content strategy for social media, advertising, and newsletters
- Oversaw the design and development of artist websites and stores

EDUCATION

IMMERSIVE, SOFTWARE ENGINEERING
Fullstack Academy of Code | Chicago, IL | 2019

CERTIFICATE, PRODUCT MANAGEMENT
Product School | San Francisco, CA | 2018

BACHELOR OF ARTS, ECONOMICS
University of Illinois | Champaign, IL | 2011 - 2015
